

2018 NIHR Campsite Information

There are approximately 1,000 campsites available at the South Dakota State Fairgrounds in Huron, SD. These are water and electric sites. The 90% sites are 10% (includes two complimentary pumped pumping services will be available on site for \$25/pump and \$50/water if needed).

Reservations for camping will be made through the National Office and campsites will be assigned on an individual basis. Units that are overcrowded may be required to park in other areas of the park, away from the rest of the state. We will make every attempt to avoid this, but bear in mind, this is a possibility.

Electric service is all 30 amp. Please make provisions and prepare for this. The grounds are mostly level and the spaces are fairly tight.

Extended families will be invited to camp as well, however, their reservation **MUST** be received with the rest of the state or provincial reservations (including full payment to the state secretary).

State and Provincial secretaries should collect payment from all campers and remit one check from your state or province to the NIHR. **There will be no refunds issued after June 1st, 2018. If refund requests are received prior to June 1st, they will be routed directly to the State Secretary who will disperse funds accordingly in August, 2018. NO REFUNDS WILL BE ISSUED FOR CAMP SITES UNLESS THERE IS A CLERICAL ERROR OR IF REFUND REQUEST IS RECEIVED AFTER JUNE 1st, 2018.**
