Jake Telford, National Reined Cow Horse Association Million Dollar Rider, 2015 NRCHA Snaffle Bit Futurity Champion and CINCH endorsee, began his horsemanship career in the timed event arena, roping at the high school rodeo level, and later, as a professional.

When Jake decided to branch into reined cow horses, he quickly established himself as an elite competitor with numerous championships and finals appearances at the NRCHA World's Greatest Horseman, Snaffle Bit Futurity, Derby, Stallion Stakes and Celebration of Champions. Many successful cow horses, reining horses and rope horses have come out of Jake's training program in Caldwell, Idaho.
