

Western Lifestyle Trade Craft Showcase

NHSRA is presenting an art contest with a little twist at the 2021 NHSFR. We want to see current members enter the show with objects made by hand and that have a function in western lifestyle.

What to know:

- Open to any NHSRA Member (JH or HS)
- Two categories: Fashion and Function (you decide)
- Must be made by the member
- Must include a bio card (fill out at submission)
- You **DO NOT** need to be competing at the NHSFR, it just needs to be turned in by the deadline
- If your piece is for sale please check that option on bio card
- One entry is allowed per person (can be multiple items in entry, ex: matching tack set, belt and purse)

DEADLINE TO SUBMIT:

12 pm, Monday July 19 at NHSFR Rodeo Office
Prizes will be based on number of entries.

If you have any questions please contact
Gary Hawkes (Gary@nhsra.org)

Entries will be displayed in the trade show throughout the week. We are not responsible for lost or damaged pieces
