

EXPLANATION OF THE NHSFR DRAW

There will be two long go-rounds and one short go-round. Points are awarded to the top 20 in each event in each go-round and the average.

Each contestant competes in his/her event at least twice – once in each of the first two long go-rounds. The top 20 in each event following the completion of the first two go-rounds qualify for the short go-round.

AM Performances are at 9 a.m.

PM Performances are at 7 p.m.

First go-round includes the following performances: Sunday PM, Monday AM & PM, Tuesday AM & PM and Wednesday AM. Second go-round includes the following performances: Wednesday PM, Thursday AM & PM, Friday AM & PM and Saturday AM. **The short go-round for all events except Cutting and Reined Cow Horse will be Saturday PM. Cutting short go-round will be at 2 p.m. Saturday afternoon. Reined Cow Horse short-go will be Friday afternoon at 4:00 p.m.**

Position draw is done by computerized random selection and is done for the first go-round; positions for the second go-round are reversed from the first go-round.

Example: If you draw up Sunday evening in the first go, your second go-round will be Saturday morning. Thereby, each contestant competes in one morning performance and one evening performance in their respective event. **THIS IS FOR ALL EVENTS INCLUDING CUTTING.** The same holds true for the exact position within each event in all events **EXCEPT CUTTING AND REINED COW HORSE.** Example: If you draw up first in your event in the first go, you will be last in your event in the second go. For Cutting and Reined Cow Horse, your position within the pre-drawn performance for the second go will be randomly drawn again so that you are not in reverse order.

FOR ALL EVENTS EXCEPT RCH:

- Sunday Night – Saturday Morning
- Monday Morning – Friday Night
- Monday Night – Friday Morning
- Tuesday Morning – Thursday Night
- Tuesday Night – Thursday Morning
- Wednesday Morning – Wednesday Night

FOR REINED COW HORSE:

- Sunday Night – Friday Morning
- Monday Morning – Thursday Night
- Monday Night – Thursday Morning
- Tuesday Morning – Wednesday Night
- Tuesday Night – Wednesday Morning
- SHORT GO IS ON FRIDAY @ 4:00**

For the short go in all events except cutting, reined cow horse, barrel racing and pole bending, the draw will be worked from the last qualifying position down to the first qualifying position. So if you are leading your event going into the short go, you will compete last in your event in the short go. Positions for the short go in cutting, reined cow horse, pole bending and barrel racing are drawn at random.
