1. **CERTIFICATE OF VETERINARY INSPECTION (CVI), also called a "health", required for both horses & goats:**
  - Horses: CVI must include a negative Coggins test within 365 days of Check-in.
  - Goats: CVI must include Scrapie's identification and **REQUIRES** a pre-entry import permit number from the Wyoming Livestock Board (307) 777-7515.
  - Examples of both a handwritten and electronic CVI for horses are attached. \*Note that the inspection and issue date must be **AFTER** June 17, 2022.

### **WYOMING HEALTH REGULATIONS:**

- Original Health Certificates (CVI) must be presented along with other records for every horse & goat during the 2022 NHSFR Horse Check-In process. **All original CVI's will be returned to you.**
  - Consignee on the CVI must include the National High School Finals Rodeo/CAM-PLEX, 1635 Reata Dr, Gillette, WY 82718. CVIs written to Lincoln, NE are **NOT** valid.
  - All horses and goats must be accompanied by a proper and current CVI issued by a licensed veterinarian within 30 days of the opening date of the rodeo, which is July 17, 2022. The current CVI should not be issued before June 17, 2022. The issuing veterinarian is responsible for ensuring that the CVI meets **CURRENT** Wyoming import requirements.
  - The CVI must certify that said animal(s) are free from contagious disease and state the number, description, sex and age of the horse(s) and goat(s).
  - All goats require a pre-entry import permit prior to entry into Wyoming. Import Permits can be obtained by calling (307) 777-7515.
  - If you are from a state that requires re-entry papers, **PLEASE CHECK WITH YOUR LOCAL AUTHORITIES AND VETERINARIANS TO SEE WHAT PAPERS YOU WILL NEED FOR RE-ENTRY. YOU ARE RESPONSIBLE FOR YOUR OWN RE-ENTRY PAPERS AND REQUIREMENTS.**
  - Wyoming origin horses and local, leased horses **MUST** also meet these same requirements for entry onto CAM-PLEX grounds and be prepared to present them at check-in.
