RE: 2023 - 2024 State/Provincial Association Dues

This is a reminder to all State/Province members of the NHSRA and Junior High that pursuant to the 2022-2024 NHSRA Rulebook:

Page 5, Paragraph 6(a):

The annual dues from the member State/Province Associations shall be set by the Board of National Directors payable in advance and postmarked on or before September 1 of each year.

The annual NHSRA State/Province Association dues for the 2023-2024 year are \$450 per state/province as per board approval.

The annual NHSRA Junior High State/Province Association dues for the 2023-2024 year are \$225 per state/province as per board approval.

Page 5, Paragraph 6(b):

All State/Province Associations shall submit their dues, a list of all adult directors, and student officers of the State/Province Association, and the name of their queen chairman, to the National Office by September 1.

Page 5, Paragraph 7:

Failure to pay dues and registration:

If the State/Province Association dues are not postmarked by September 1, of each year, no contestant from said State/Province shall be qualified to participate in the National High School Finals Rodeo for said year until dues with penalties are paid. A \$50 per day late fee will be charged to the State/Province Association for each day the State/Province dues are late. Late will be defined as postmarked anytime after September 1.

PLEASE NOTE: When submitting your list of all adult and student directors and student officers, please include addresses, telephone numbers, and e-mail addresses. This is very important as we communicate with these individuals at various times throughout the year. We also need the queen coordinator information at this time.

Thank you for your attention to this matter. If you have any questions, please contact me.
