FIRE SAFETY AT HIGH SCHOOL RODEO

The Rock Springs Fire Department would like to remind you of a few fire safety requirements while staying at the Sweetwater County Events Complex.

1. The summer weather has been extremely hot and dry this year causing a higher than normal fire danger. Please use open flames with caution and take care when disposing of matches and cigarettes.
2. The use of fireworks is prohibited at the Sweetwater County Events Complex and within the City of Rock Springs.
3. Recreational fires are prohibited in the campgrounds of Sweetwater County Events Complex. This includes, but is not limited to:
 - a. Outdoor fireplaces
 - b. Portable fire pits
 - c. Propane fire pits
 - d. Coal or wood barbeque grills
4. Barbeque grills with lids operating on propane will be allowed. Maintain three feet of distance from any combustibles while cooking on the grill. **No cooking under a tent or camper canopy.**

The Rock Springs Fire Department hopes you have an enjoyable and fire safe stay in our community.

Respectfully,

Nathan Reese
ICC Fire Inspector II/ICC Fire Plans Examiner
Rock Springs Fire Department
