CAMPING AT RVUNIVERSE CAMPGROUNDS / NEAR SGEC

Rates for the duration of the event (Thursday July 16th noon through noon Sunday July 26th) are \$350 with electric & water in the RVUniverse Campground (plus taxes & fees). We will place states/provinces/countries together as groups in the RVUniverse Campgrounds with a certain number of campsites reserved for each team. These are assigned by your National Director with maximum of one per contestant family in most cases. Contestants are assigned specific campsites within your group's section in the order that the State Secretary lists them for us as much as possible given other factors (30 or 50 amp, size of RVs etc.). All campsites must be occupied by a camper/RV.

If you don't receive a campsite at RVUniverse Campgrounds, there is limited Tent/Dry Camping located in designated areas at SGEC for \$210 (plus taxes & fees) with no utilities. You will have access to the showers, portable restrooms, food trucks located at RVUniverse Campground.

Reasonably priced sewer pump truck service appointments may be made with Al's Johns who will be stationed on-site. Refer to the provided Al's John's price sheet.
