

2026 NJHFR CAMPSITE INFORMATION

There are plenty of campsites at the Lazy E Arena in Guthrie, OK. Some of the sites are in the hillsides of the Lazy E and may be uneven. **Make sure to bring blocks in case the area you are assigned is not level.** These are water and electric sites. Pumping services will be available on site through Lazy E Arena Stall Office (contact information & pricing can be found on the national website and on grounds). **The sites are all \$350 for the event .**

Reservations for camping will be made through the Open Stallswebsite. Campsites will be assigned on a state/provincial area block. We will make every attempt to keep everyone camped with their state, however, if others from your state are inconsiderate as they arrive, we may have to camp you in another area. **Your state National Director or State Secretary coordinates parking for your designated area so that everyone can be camped together.**

All campsites at the Lazy E Arena are 50amp. Some also come with 30amp. The Lazy E Arena Stall Office will sale adapters to our contestants if needed. Campsites typically share water hook-ups.

Extended families will be invited to camp as well, however their reservation **MUST** be received with the rest of the state or provincial reservations (including full payment) by the paperwork deadline.

There will be no refunds issued after June 2nd, 2026! To possibly receive a refund, you will need to come to the Rodeo Office and see Kaitlyn Russ for a Camping Refund Form. These will be evaluated by the NJHFR Committee. Refund forms **MUST** be signed by your National Director and received in the NJHFR Rodeo Office to even be considered. There is **NO** guarantee you will receive a refund at all after the June 2nd deadline.

All APPROVED refunds will be issued by the end of August 2026.
