- Please refer to the NHSRA Trademark and Logo Policy or call the National Office with any questions or to received approval of logo use.
- **Sponsor Logos on Team Shirts:** Follow the patch instructions in the Rule, By-Laws and Constitution book for any patch information.

Handling Fees

Handling Fees: The NHSRA has had these handling fees in place since January 2005. To allow our NHSRA volunteers the opportunity to continue to order certain sponsor products at a substantial savings, the following handling fees are implemented to guarantee the continuation of the program. The fees will help offset the costs of shipping materials, personnel time and other related handling costs. The handling fees included will be on a PER ITEM scale as followed:

Price of Item:	Handling Fee:
\$1-\$25.00	\$2.00
\$26-\$50.00	\$3.00
\$51-\$100.00	\$4.00
\$101-\$150.00	\$5.00
\$151-\$250.00	\$6.00
\$251-up	\$7.00

The National Office prefers that the Secretaries order when possible. All invoices will be sent to the State Secretary for any orders placed, no exceptions. If another person in your state does order-they must include the e-mailed order to the current State Secretary. Providing a credit card when ordering helps with the billing.

If you are not the current Secretary or Director, please let the office know so the information can reach the correct person. Remember this program is available to National Directors, National Secretary's, and National Student Officers.

Individual members may not order through NHSRA.
